

SUMMER CAMP 2025: A WEEK TO REMEMBER!

This June, campers stepped back in time for a week of “Prehistoric” fun at Central Virginia Burn Camp! From swimming and s’more making to exciting off-site trips to the zoo and museum, each day brought new adventures and smiles. Camp favorites like the zip line, canoeing, horseback riding, crafts, and fishing kept everyone laughing and cheering from start to finish.

“Watching these kids gain confidence and find joy together is what keeps us coming back every year.”

— Cameron, Camp Counselor
